B. SUBMITTALS

1. Certification of grass seed.
2. Analysis of existing surface soil.
3. Planting schedule.

C. WARRANTY

1. Living Planting Materials: One year.

D. MAINTENANCE

1. Trees and Shrubs: [**12 months**] [**Six months**] [**Three months**] following Substantial Completion.
2. Ground Cover and Plants: [**Six months**] [**Three months**] [**One month**] following Substantial Completion.
3. Seeded Lawns: 60 days following Substantial Completion.
4. [**Sodded**] [**Plug-Sodded**] [**Sprigged**] Lawns: 30 days following Substantial Completion.

E. MATERIALS

1. Trees:
 - a. Type: [**Shade and flowering**] [**Coniferous evergreen**].
 - b. Stock: [**Balled and burlapped**] [**Bare root**].
2. Shrubs:
 - a. Type: [**Deciduous**] [**Coniferous evergreen**] [**Broadleaf evergreen**].

- b. Stock: [**Balled and burlapped**] [**Bare root**] [**Container grown**].
- 3. Ground Covers and Plants: Container grown.
- 4. Lawns: [**Seeded sown**] [**Seeded hydroseeded**] [**Sodded**] [**Plug sodded**] [**Sprigged**].
- 5. Topsoil: [**Reuse surface soil stockpiled on-site**] [**Import topsoil**] [**Amend existing surface soil to produce topsoil**].
- 6. Soil Amendments: [**Lime**] [**Aluminum sulfate**] [**Sand**] [**Perlite**] [**Peat humus**] [**Sawdust or ground-bark humus**] [**Manure**] [**Herbicides**].
- 7. Fertilizers: [**Bonemeal**] [**Superphosphate**] [**Commercial fertilizer**] [**Slow-release fertilizer**].
- 8. Mulches: [**Organic**] [**Peat**] [**Fiber**] [**Mineral**].
- 9. Weed Control Barriers: [**Sheet polyethylene**] [**Nonwoven fabric**] [**Composite fabric**].
- 10. Erosion Control Materials: [**Blankets**] [**Fiber mesh**].
- 11. Stakes and Guys: Wood, with galvanized steel-wire or cable, and hose chafing guard.
- 12. Landscape Edgings: [**Wood**] [**Steel**] [**Aluminum**] [**Polyethylene**].
- 13. Miscellaneous Materials: [**Antidessicant**] [**Trunk-wrap tape**] [**Tree grates and frames**].

F. INSTALLATION

- 1. Recondition existing lawn areas damaged by Contractor operations.
- 2. Remove and dispose of surplus soil and waste material off Owner's property.
